Re: Written Apology for Service Interruption following the Christmas Holiday

Dear Directors:

Please accept my sincere apology for the error in communication that was sent on Thursday, January 19, 2019 regarding collection service following the observed holiday. Although an honest error on my part, it does not exclude the fact that residents were provided incorrect information and ultimately may have missed waste collection service following the Christmas holiday. The customer service that took place while attempting to recover waste collection services during the week of Christmas is not typical of the extraordinary experience we strive to provide. Placing myself in your shoes, I can certainly understand your frustration and disappointment. We are proud to serve both the residents and Board of San Antonio MUD No. 1 and regret that we did not meet your expectations or the high standards we have set for ourselves. We realize you have options when it comes to selecting a service partner for waste and recycle collection and appreciate the opportunity to take action to improve and meet your service expectation.

Respectfully,

Tiana Smith
Public Sector Marketing Manager
